

**Fund Description and Investment Policy**

The InvestCorp Active Equity Fund (the “Fund”) is a collective investment scheme that presents a superior and more active approach to equity investment. It is well suited for individuals and organizations who want to invest on the Ghana Stock Exchange (GSE). The Fund’s investment is based on an optimal portfolio based on value, liquidity and identified short-term advances.

The Fund seeks to offer investors the following;

- A dynamic, disciplined and consistent approach to accumulating wealth through the stock market over the medium to long-term using strong fundamental research and technical analysis
- A diversified portfolio to help reduce the risk of exposure to a single stock
- The opportunity to invest in well performing stocks at any given time, with room for active pruning of underperformers

**Investment Allocation**

The current investment allocation of the Fund is as follows:
