## CUSTOMER RISK ANALYSIS

***Determining the time frame for your investment is critical to making an investment decision, the longer your investment horizon, the more aggressive you may want to be.***

Your investment time frame

1. In approximately how many years will you require gains from your investment?

0 to 1½ year     2 to 3 years     4 years and above

2. Do you have an emergency fund (Accumulated savings)?

No     Yes, but less than six months after-tax income     Yes, I have adequate emergency funds

***Your prior investment experience can help determine your attitude toward investment risk.***

3. Have you ever invested in individual stocks or equity funds?

No, and I would be uncomfortable with the risk if I did

No, but I would be comfortable with the risk if I did

Yes, but I was uncomfortable with the risk

Yes, and I felt comfortable with the risk

***Your comfort level with investment risk influences how aggressively or conservatively you may choose to invest and it should be balanced with your desire to achieve your investment goals.***

4. Which one of the following statements best describes your feelings about investment risk?

I would only select investments that have a low degree of risk associated with them (i.e. it is unlikely I will lose my original investment)

I prefer to select mixed investments with emphasis on those with a low degree of risk and a small portion in others that have a higher degree of risk that may yield greater returns.

I prefer to select a balanced mix of investments some that have low degree of risk, others that have a higher degree of risk that may yield greater returns.

I prefer to select an aggressive mix of investments which exhibit a low degree of risk, but with emphasis on others that have a high degree of risk that may yield greater returns

I would select an investment that has only a high degree of risk and a greater potential for higher returns

### 5. Volatility

The value of most investments fluctuate over time. How would you feel if an investment you had committed to for three years or more lost some of its value during the first year.

(a) I would be extremely concerned and would sell my investment

(b) I would be concerned and may consider selling my investment

(c) I would be concerned, but I would not consider selling my investment

(d) I would not be overly concerned given my long-term investment philosophy

### Your Personal Risk Tolerance
