

Our Commitment to You During Covid-19 Pandemic

March 25, 2020 – Accra. During the last couple of weeks, we have received several updates regarding the emergence of the novel coronavirus, COVID-19, in Ghana. As an institution, we are giving this public health emergency all the seriousness it deserves.

For additional information about COVID-19, please visit the Ghana Health Service’s dedicated COVID-19 [website](#).

We’re here to help

With COVID-19 beginning to impact our communities and daily lives, we want to assure you that we are monitoring developments very closely and our number one priority at InvestCorp is to support the safety and well-being of our clients and employees. Thus, we want to take this opportunity to share some of the measures we have put in place, in response to the situation, which include:

- keeping our offices open with only essential staff at post (all other staff are working from home) while observing the recommended social distancing protocols
- providing hand sanitizers in the banking hall for all visitors and employees
- processing all payments electronically via bank transfers* only

Managing your investments

We also understand the concerns you may have about how COVID-19 will impact your investment with us thus we strongly encourage you to use any of our electronic channels listed below which are convenient, easier and faster to manage your account(s).
