

Disclaimer Notice

It has come to the attention of the Management of InvestCorp Asset Management Limited (“InvestCorp”), a fund manager licensed by the Securities And Exchange Commission of Ghana that Virgin TV (located at Adeiso on the Nsawam – Asamankese road) is advertising a product purporting to be from a company called ‘InvestCorp Money Beneficial’ (the “Unlicensed Entity”). We understand that the Unlicensed Entity is urging customers to make deposits into a mobile money account and is offering a return of 900% on customers’ investments.

We wish to inform the general public that InvestCorp does not offer this product and has not authorized the publication of any advert in this regard. There is no affiliation whatsoever between the Unlicensed Entity and InvestCorp; and InvestCorp is not involved in any capacity whatsoever in the activities of the Unlicensed Entity. By using the name ‘InvestCorp’, the Unlicensed Entity is impersonating the InvestCorp brand and passing itself off as an affiliate of InvestCorp.

As such, we urge all our valued clients, business partners and stakeholders to be wary of any product offering from the Unlicensed Entity or any other fund which requests customers to make payments into a mobile money account or other unofficial accounts. Please be advised that under no circumstance will InvestCorp require payments to be made into any account other than an official company account.

InvestCorp has no affiliation with any individuals/groups offering to multiply investments. Any investments made with such persons shall therefore be done at your own risk and InvestCorp shall not be liable in any manner whatsoever for any loss (direct or indirect), damage, cost or expense suffered or incurred thereby.
